August 2023 Newsletter

Hello Church Family, Fede here...

What a month this has been; getting to know all of you, learning your stories, but most important, me and my family feel welcomed and loved by you.

I would like to use this first newsletter to have a little bit more information about me, I am Adrian Federico Apecena, go by Fede; it is pronounced like FedEx, but without the "X".

I was born in a small town, in the very south of Buenos Aires Province called "Punta Alta"; I went to Law School, where I graduated in 2010 from the National University of La Plata and got a Master of Divinity from Duke University.

I was mostly involved with Church Planting and revitalizing ministry along with my three years of experience as a missionary for the General Board of Global Ministries.

Last and most important I have three other members in my family, Kin, who was born in Hong Kong; Zi Xin, who was born in China and Bobby, who was born in Uruguay (By the way, Bobby is my dog).

I knew that I came to Kresge in a very difficult moment; the disaffiliation situation is something that is keeping people's levels of stress a little bit high, while we embark in final conversations and the meeting to vote about it, I entrust you to pray deeply about it, hear every side possible and make with these questions in your mind:

What is Kresge's vision and purpose for the city of Cedartown?

Are we still able to achieve it if Kresge leaves the denomination?

There is time for everything under the sun, and maybe is time for Kresge to leave the UMC, maybe not, nevertheless our mission as Methodists stays the same:

"The mission of the Church is to make disciples of Jesus Christ for the transformation of the world..."

Love you, Fede
