October 2023 Newsletter

Happy October everybody!!!!!!!!!!!!

These past few months have been amazing; we have seen our worship service come alive more, with more participation and excitement for the church's future.

The month, like in the prior one, I want us to focus on the kind of church that we want to be for ourselves, for our city, and for the glory of God; that's why I am going to be starting a sermon series called: "A More Christlike...."

In these, we will focus on the main question I have for you: Why are you a Christian? And seeing God's Scripture, how we follow God, and our Church through Christlike lenses.

None of us could escape our upbringing, cultural teachings, and experiences; all that we have lived and learned has shaped how we see God, read scripture, follow God, and what our Church is like.

Starting on Sunday, we will discuss: "A more Christlike God, A more Christlike Scripture, A more Christlike way, and A more Christlike Church."

We must remember that we should be radicals, remembering that the word extremists comes from the word radish, which means root. As radicals, we should always go back to our source, which is Making the ways of Jesus our ways for life for the sake of the world and the glory of God.

I am looking forward to a fantastic month!

Love you all!

Fede

Dear Kresge Family,  
I enjoy watching worship on line and seeing you all there, even if it's just the back of your heads. Thank you for the farewell lunch and hugs! I am visiting UM Churches here in Durham, but my love and prayers are still with Kresge?
